

1

A straight line down and then you're done- this is how you make a one.

2

Around and back on a railroad track: TWO TWO TWO!

3

Around a tree and around a tree - this is how you make a three.

4

Down and over, down some more - this is how you make a four.

5

Down the trunk and around the tree - add a branch, it's five you see!

6

Curving down into a loop - number six can roll a hoop.

7

Straight across and down from Heaven - this is how you make a seven.

8

Make an "S" but do not wait - climb back up to make an eight.

9

A loop on top and then a line - this is how to make a nine.

10

Make a "1" and then an "O." It's easy to make a 10, you know.
